EXPERIENCE

Seltzerly.com, Bloomingto, IN | *Sole Developer/ Founder*

AUGUST 2020 - PRESENT

Developed single-page web app by myself.

Built with Angular/Firebase.

Used JavaScript/Typescript for front end development.

Set up and maintain database and data structure.

Shelfsimulator.com, Bloomington,IN | *Sole Developer/Creator*

OCTOBER 2020 - PRESENT

Entertainment/meme maker, throwback to the internet of old.
Built in Angular.

Weekend JavaScript Project -> working on DOM manipulation.

Indiana University, Bloomington,IN | *Data Entry Specialist*

OCTOBER 2020 - PRESENT

Enter admissions data into IU's database.

Work remotely, utilizing remote desktop/VPN/Zoom.

Work with a team of 50+ to handle documents from all IU branches.

The Atlas Ballroom, Bloomingto, IN | *BarTender/Shift Manager*

MAY 2015 - MARCH 2020

Managed shifts, including nightly accounting and deposits.

Trained around 10 employees while working here.

Sold thousands of Dollars through hundreds of transactions a night.

Maintained relationships with an extensive group of clientele.

One World Catering, Bloomingto, IN | *Sous Chef*

APRIL 2010 - MARCH 2020

Worked my way from cook to kitchen manager to sous chef.

Managed a crew of 5-7 people.

Trained 10-15 people throughout my tenure.

Oversaw daily production, making significant contributions myself.
